A) Subject Objectives

1. Interpersonal Strand

- 1.1 to establish and maintain relationships and routines to carrying out classroom activities
- 1.2 to converse about feelings, interests and experiences
- 1.3 to obtain and provide objects and information in simple classroom situations and through activities such as interactive games and role play

2. Knowledge Strand

- 2.1 to provide or find out and present simple information on familiar topics
- 2.2 to interpret and use simple given information through processes or activities such as labeling
- 2.3 to recognize some obvious features of the English Language in simple spoken and written texts such as the direction of writing in English, the characteristics of an alphabetic script and the sound patterns of English: and apply this awareness to one's initial learning and use of the language

3. Experience

- 3.1 to develop an awareness and an enjoyment of the basic sound patterns of English in imaginative texts through activities such as participating in action rhymes, singing songs and choral speaking
- 3.2 to respond to characters and events in simple imaginative and other narrative texts through oral, written and performative means such as:
- making predictions
 - making simple evaluative remarks
 - drawing pictures, making models or objects
 - creating captions
 - describing one's related experiences
 - participating in the telling of stories
